Application scenarios: Camps, field training, diving, ski resorts, water parks, gardens...

Lockset

Item No. : TL-A2
Cylinder Cam Lock

Material: Zinc alloy
Finished: Bright chrome
Key code: 10,000
Feature: Master key

TL-A2

Plastic Cover

TL-A3

Item No. : TL-A3
Cylinder Replaceable Cam Lock

Material: Zinc alloy
Finished: Bright chrome
Key code: 10,000
Feature:
1. Master key
2. Cylinder replaceable

TL-A6

Item No. : TL-A6
Lock Hasp

Material: Zinc alloy
Finished: Bright chrome

Waterproof Plastic Cover

Item No.: T-H-12

Material: PC
Color: Transparent
Feature:
1. Wide temperature range
2. UV proof
3. Vandal proof
